

APPLICATION FOR HONOURS

Please read the attached information about the Honours Program before filling in this application form. Enquiries should be directed to the Honours Coordinator (c/o Centre Office) and/or prospective supervisors. You should note that the thesis is an independent research project on the part of the student; prospective or actual supervisors will be happy to give advice on sound thesis topics and in general offer guidance, but provide ready-made topics (and sources) for you.

By the 15 November prospective honours students are required to submit to the Centre Office:

1) Application form, 2) Research proposal, & 3) Academic transcript
